October Club Meeting Program - by Jon Thames

Our October 8th club meeting program will feature guide and flyfisher Tommy Lawhorne from Waynesboro, VA. Tommy's presentation will focus on the many fishing options available in central Virginia.

Tommy is part owner and guide at the South River Fly shop and has fished the area around Waynesboro for many years for trout and bass. I talked with him last year at the Virginia Fly Fishing and Wine Festival and was amazed to hear about the number of streams available in just a 2 hour drive from Frederick. The South River which is stocked annually is readily accessible to the public, as are numerous small streams in this locale.

For the bass fishers in our club, Tommy will point out several options to get into some large smallmouth bass. Tommy will

review the Virginia fishing regulations that are very friendly to non-resident fishers. Join us October 8th and consider heading to this area of Virginia as a viable fishing option.

Fly Tying Roundtable - October 16th* by Don Fine

(*Note changes highlighted below regarding the club's monthly fly tying roundtable, both location and program structure) .

Our guest tyer at the October fly tying roundtable will be club member Rick Loose. The pattern that we will tie this month will be the Clouser darter. Rick will provide all materials for the pattern, however, it is suggested that tyers bring a size #3 olive thread. Black is OK as well.

Location - for 2013/2014 and beyond, the new location for the monthly roundtable will be at Trinity United Methodist Church (Room 108) at 703 West Patrick Street in Frederick. (For access to the church turn left off West Patrick Street onto Kline Blvd. and immediately turn left into the church entrance. Enter the church building at the rear entrance. Directions to Room 108 will be posted at the church entrance).

Time - roundtable starts at 7:00 PM until ~8:30 PM.

Program structure for 2013/2014 - the monthly fly tying program for the coming

year will include fly patterns for both novice and advanced fly tyers. Several experienced tyers have volunteered to assist tyers with less experience.

Tyers for future months include:

November – James Harris – pattern TBD

December – Devin Angleberger – pattern TBD

January – Sterling (Buz) Buzzell – patterns representing the life cycle of the caddisfly

We welcome new tyers to the PVFF

Roundtable, as well as those who just want to observe and learn.

New tyers: if you need equipment to get started tying, PVFF can loan you a set of tying tools. Call Don at 301-371-5617.

Announcements :

(Editorial note: In the best interest of our membership, the Announcements Section of the monthly Streamlines, rather than email, is the primary vehicle for dissemination of information for club-sponsored activities as well as activities promoted by "outside" not-for-profit organizations. Those wishing to use Streamlines to announce an activity will need to provide a brief description of the activity, dates of the activity and contact information to the editor one week prior to the monthly Streamlines publication date, i.e. the last day of the month. Announcements will be edited to fit the Streamlines format.)

Fly Fest at Harpers Ferry – Oct. 4th thru Oct. 6th, 2013.

Kellys White Fly Shoppe will be hosting a Fly Fest at Harpers Ferry on Friday, October 4th through Sunday, October 6th. For more information regarding this event go to the Harpers Ferry Fly Fest Facebook page and website: www.HarpersFerryFlyFest.com.

Up Coming PVFF Outings

Oak Orchard Creek Outing - Nov. 1 & 2

Reminder that the Oak Orchard Creek outing is on for November 1st and 2nd. If you have not been on this outing before, Oak Orchard Creek is an easily waded stream with a moderate current. Big, lake-run browns, steelhead, atlantic salmon are the main targets, and there still may be a few late kings and cohos present as well. 7 weight rods are perfect for the steelhead and browns. Expect cold nights and daytime temperatures in the 50's. If interested please, contact Dan at danneuland@verizon.net. Dan indicates that lodging might still be available at the Orleans Outdoor Fly Shop if you contact him soon.

PVFF Membership & Dues/Annual Banquet by Ruby Fine

Just another reminder that dues for 2014 are to be paid before December 31, 2013. You

may pay me at the monthly meeting or mail to me at the address shown on the form. Without the active membership we would not have such a great Club!

The **PVFF 46th Anniversary banquet** will be held on **Oct. 19, 2013** at the **AMVETS in Middletown, Maryland**. We must have your response and money by the October 8th meeting so we can give a head count to the AMVETS for preparation of food for those in attendance.

This banquet is our only fundraiser to help support local and regional projects, i.e. raising trout for local stream stockings; stream cleanups, Project Healing Waters, etc. We rely on donations and services from businesses, members and friends for our silent and bucket raffles. If you have anything that you would like to donate, including a personal service, please contact me or John Brognard. See reservation form at the end of this newsletter. So sign up today and come out for a fun evening. A guided trip on a local stream, fly tying and/or rod building instruction are examples of some of the services that have already been offered by members of PVFF.

Successes of the Learn to Fly Fish Course by Don Fine

On September 28th, PVFF in conjunction with Antietam Fly Anglers (AFA) held our adult Learn to Fly Fish course at Devils Backbone Park, near Boonsboro, MD. Ten students attended, traveling from relatively distant locals; e.g. Emmitsburg, New Market, Waynesboro and Frederick to learn the basics of fly fishing. For the past 10 + years PVFF and AFA have been working together to bring the basics of fly fishing to both novice fly fishers, as well as those who need a “one-day” refresher course in fly fishing. Our annual LTFF program covers basic equipment, knot tying, entomology, fly

casting principles, hands-on casting instruction (from four highly-accredited fly casting instructors), instruction on fishing nymph, streamer, and dry fly patterns, fishing etiquette and principles of wildlife conservation. Eleven instructors, representing the two clubs along with the assistance of Pete and Charlotte McCall (who travel to the event each year from Harford County), work together to pass their expertise and experience on to these fine new fly fishing prospects.

We are always looking for assistance with this event so if you are interested in helping next year, please let me know.

As a side note, one of our instructors (Tom Scally) hooked and landed a 20+ inch, 4 pound channel catfish while demonstrating nymphing techniques to the students. You never know what might happen when you “spend a day on the water”.

MONTHLY CALENDAR OF EVENTS

Oct. 22 nd	Board of Directors Meeting Trinity United Methodist Church 703 W. Patrick St. Frederick, MD 7 PM – Room 109

Last Cast by John Brognard

As I look back over this year, I am amazed at all of the things that we, as a club, have accomplished and enjoyed together. This has

been a special year, and I thank everyone for helping make my time as president so enjoyable.

Trout Pen - Over the past 18 years Randy Inmon has cared for the trout in our pen, helped capture the trout, load them into the stocking truck and helped with the stocking of local streams. This year, because of other obligations, Randy had to step down from caring for our trout. But the club has been fortunate to have four other members (Mike Arnold, Owen Davis, Rick Loose and Alex Cartwright) who have volunteered to take Randy's place in overseeing activities at the trout pen, so we are able to continue stocking trout in our home waters. Thank you Randy for all the years of dedicated service to our club!

New Club Logo - This year we completed a project started by past president Lou Stohlman. We now have a new logo designed by Jeff Brubaker and digitally enhanced by Dan Neuland. The logo is available to be embroidered on any article of clothing you would like and we will have hats available for sale at our next meeting.

Loaner Fly Rods - Because of the efforts of Lou Stohlman and Scott Durant (president elect for 2014), we now have some excellent loaner rods that club members can borrow for outings including big game rods that are required for salmon, steelhead and huge brown trout.

Monofilament Stations - Our club supported and mentored two fine young men in the completion of their Eagle Scout project. Member Brad Zimmerman provided PVC for Dylan Whitmer and Willard Plumbing Co. provided PVC for Troy Phillips to construct 23 monofilament recycling stations. Both Dylan and Troy have completed the construction and installation of the monofilament recycling stations. We will have a map of all the monofilament

station locations at our banquet and you will also have the opportunity to meet Dylan and his mother and father. (Unfortunately Troy Phillips will be out of town on the day of the banquet).

Programs - This year, as in the past, we have had numerous exceptional speakers and events at our meetings thanks to our Program chair, Jon Thames.

Outings - This past June, Chris King headed up the club outing at Harman's Cabins in West Virginia where twelve club members spent a beautiful weekend fishing for brown and rainbow trout, enjoying meals together, time by the campfire and sharing their day's experiences trout fishing.

On another outing Larry Forte hosted members fishing on private water on Town Creek with his dad providing the refreshments.

James Harris arranged for members to have a day of guided fly fishing on the Little Juniata creek in central Pennsylvania. Members received reduced lodging and stayed at a very nice B & B and had a wonderful day on the Little J.

Trout Prints - In the fall of 2012 Dan Neuland donated a beautiful digitally designed trout picture to the club and a limited number of prints were made for sale. To date over half of the prints are sold. We thank Dan for his generosity to the club as well as serving as our Outings chair and our guide on two exceptional trips this past year and this October and November, where club members will be fishing the Salmon and Oak Orchard rivers, respectively, in New York. Trips such as these are wonderful opportunities to experience the thrill of catching huge salmon, big brown trout and exciting steelhead.

Fly Fishing Events - Dan Neuland, Devin Angelberger, Donna Brognard, and Jon Thames represented our club at several fly

fishing events in the area. Additionally, Dan Neuland, Rick Loose, Billy Noland and Donna Brognard helped several young boy scouts obtain the fly fishing merit badge at Camp Airy near Thurmont in August.

Facebook - Devin Angelberger is designing and maintaining a Facebook page for our club.

Fly Tying Roundtable, Rod Building and Fly Fishing Instruction - Don Fine provided the opportunity to learn how to build a fly rod and continued to chair the club's monthly fly tying roundtable. As in the past, this year's roundtable featured many outstanding featured fly tiers and two advanced fly tying events at Beaver Creek Fly Shop. Don also serves as editor of the monthly PVFF Streamlines newsletter. This past weekend Don and Ruby Fine also managed the "Adult Learn to Fly Fish" program that is held annually at Devils Backbone Park as a joint effort between PVFF and Antietam Anglers. The 10 students who attended thoroughly enjoyed the course. Donna Brognard helped teach youngsters (4 thru 10) "beginner fishing" at the Catoctin Nature Center. In addition, Heather Montgomery, Devin Angelberger, Don Fine and Ruby Fine provided instruction so we could provide the course at no cost to the youth fly fishing candidates.

Conservation - Heather Montgomery became our Conservation chair and is providing our membership with interesting articles on conservation issues.

Club Officers - Our club has two very important members that keep the club running, our Secretary Karen Baker and our Treasurer Larry Forte. Karen is also the club's publicity chair.

Banquet Chairlady - Ruby Fine accepted the

position of banquet chairlady in addition to being our Membership chair. She again provided the leadership we need to continue having wonderful banquets. She is also responsible for keeping the PVFF president in line.

I would only ask that when you see the individuals I have mentioned, that you just say thanks for their dedication to fly fishing and to our club.

Please forgive me if I did not remember to mention someone. I thank each member of the Board, our committee chairs and those who I have mentioned above for their help this year!
